After the car crash, Komarov and two others fled into nearby woods, leaving the dead body in the middle of the road.

Police also believe the businessman was killed during an argument with the suspects, who planned to bury his body in the woods.

When the men were caught, Komarov confessed to being a cannibal and admitted that he "likes killing people".

Flesh

He also confessed to murdering another 38-year-old man by stabbing him to death in a park in St Petersburg last year, all because he wanted to taste human flesh.

Describing the incident in the park, he said: "When he died, I gutted his neck and tasted the blood and meat. But the meat was difficult to cut, He also confessed to

After getting rid of the victim's body, Komarov described how he sliced off the man's tongue in a nearby drainage pipe, took it home and cooked it with butter.

However, he did not like that either, saying: "But I probably would have liked another part of the body."

Bite

Komarov also warned investigators to tighten his handcuffs to make sure he did not "bite them".

According to Russian media, Komarov was born in St Petersburg and lived there with his parents and granny in a communal apartment.

In his social media profile on the Russian site VKontakte, he says that he is interested in "anarcho-primitivism", the "elixirs of immortality" and "psychedelic music".

Police investigating the case have not yet commented on the cannibalism reports.

Boris... it's not <u>your job to run</u>

WHO didn't see this coming?

Which will of course cheer up the nutcases who've carried on wearing them since the summer, even when they're riding a bike in the open air about 30ft away from you.

It depends on your definition of "bad".

True, it apparently spreads much quicker than the previous batches, which doesn't sound good.

But according to the scientists in South Africa who discovered it, people who get it suffer from what they themselves describe as mild symptoms, with achy arms and legs for a couple of days.

There is no loss of taste or smell, but you might get "a slight cough".

And because of that, they are now gearing up to shut the country down again.

No word yet from the teaching unions but you'd imagine they will be walking out of school as soon as

A MAN who claimed his common-law wife killed herself while they were fighting has been charged with murder after their three-year-old told police: "Daddy shot mummy."

Dabreon Banks, 27, is accused of fatally shooting Kimberly Hernandez, 24, inside their Houston. Texas, apartment.

The couple's toddler daughter and 20-month-old son were both inside the home at the time, the Harris County Sheriff's Office said.

Banks had claimed that he and Hernandez were "play fighting" when a gun went off, but later said she shot herself in the head during a physical argument over text

My friend was the opposite and had no trouble satisfying both my wife and his.

My friend was the opposite and nad no trouble satisfying both my wife and his.

I have to say that contrary to what I expected I found it horrible seeing my wife having sex with another man, especially the pleasure she seemed to take in giving him oral to completion.

Since then I have not really been having very good sex with my wife. Have I made a mistake?

DON'T do this again, as it has had such a bad effect on you.

Dear Kelly,

I'M a delivery driver and last month I took a rug to a house, where a woman wearing just a skimpy bra and knickers came to the door. She said: "Come in and I'll pay you," and pay me she did!

As soon as I'd shut the door, she undid my zip and pulled out my rock-hard cock.
She took my knob to the back of her throat and I licked her wet pussy so hard she came in my face, just as I ejaculated in her mouth.
After I'd recovered, she knelt on all fours with her rounded arse in the air and I f**ked her doggy-style.
As I was about to leave I asked for the rug money, but she just stared at me and said she didn't have it!

<u>Blind date hunk opened</u> <u>my eyes to brilliant sex</u>

Dear Kelly,

I'M 28 and after splitting from my husband I turned into a bit of a recluse.

I have some good girlfriends and one of them rang me to say she had fixed me up with a blind

date.
At first I was a bit annoyed with her and slammed down the phone.

her and slammed down the phone.
Thankfully, I'd calmed down when she phoned back later and urged me not to pass up a good opportunity.
She told me the guy in question was her mate's good-looking brother who worked in her office.
He was also five years younger than me, so I thought I'd be a fool not to give it a go and told her to fix up a date.

Erection

She arranged for us to meet in a pub and I got there early and sat in a corner. Then the door swung open and in walked this absolute Adonis of a man.

walked this absolute Adonis of a man.
My friend must have given him a good description of me because he walked right over and introduced himself.
We had a good night and at closing time he asked if he could take me home.
We got a cab back to my house. Once inside, I showed him into the lounge and went to the kitchen for some more wine.
When I returned he was naked on the sofa – and he had the most enormous erection I'd ever seen!
He said: "I don't believe in beating about the bush. Why don't you join me?"
I didn't need asking twice and seconds

later I was climbing astride him and guiding his magnificent manhood deep inside my aching pussy.

I began to ride up and down his shaft as he tweaked my nipples. And before long I could feel an orgasm coming on. But this man was a real super-stud and after instructing me to get on all fours he thrust into me doggy-style and brought me to a shuddering climax. brought me to a shuddering climax. But he was insatiable, so I wrap

PORTUGAL LEGEND COULDN'T CARE LESS

CRISTIANO Ronaldo says he couldn't care less if Lionel Messi wins more Ballon D'Or prizes than him.

The Portugeezer was speaking after the Argie took the prize – the unofficial world player of the year – for the seventh time.

That puts him two ahead of Ronaldo who surely won't have time to catch his rival now he's the tender age of 36 and playing for a modest Manchester United side.

CR7 said on Instagram: "Today's outcome explains the comments by Pascal Ferré last week, when he stated that I confided in him that my only ambition was to finish my career with more Ballons d'Or than Lionel Messi."

Ronaldo alleges that the claim was a lie by the magazine editor. He added: "It's unacceptable for the person responsible for handing the person responsible for handing out such a prestigious award to show disrespect to someone who has always respected France Football and the Ballon d'Or.

The new United chief has received a blow as his technical guru Lars Kornetka is staying at Lokomotiv Moscow to take over his old job.

Although Mauricio Pochettino is still the club's No1 choice for the permanent job, it is thought that the

Chelsea title charge hit by fixture chaos

CHELSEA'S title bid could be derailed by the Club World Cup.

The Londoners have qualified thanks to winning the Champions League last season. We don't take the tournament that seriously in England but FIFA want them in the UAE from February 3-12.
